Sir,

Archy 3 48

I write to request you to be so good as to depute me and my Archaeological Assistant to Gulberga to attend Kannada Sahitya Parishat Session during the first week of March 1949. The session happens to be ~~xxxx~~ a very important one from the cultural point of view and I am anxious to participate in the Exhibition of the Parishat. At the same time this opportunity may be availed of by me to study the paintings and other monuments at Ellora and Ajanta where a good deal of restoration and conservation work has been done. This study, I submit, would be useful in the restoration work which ~~has~~ is proposed to be undertaken in connection with the paintings at Daria Daulat, B ettadapura, Sibi, etc.

The cost of the deputation which will come to

to about Rs.250/- under T.A., and Rs.50/- under contingencies may be met from the respective grants of the Department in the budget for the current year.

Yours faithfully,
